

about me

who are you?

My name is Mike Hamburg. During the day, I work at Cryptography Research. In the evenings, I hang out with friends, play board games and video games, and generally nerd out.

contact info

The best way to contact me most of the time is by email, but if it's urgent (and if you know me), feel free to call my cell.

- email: mike@shiftright.org
- cell: (574)-261-5273
- aim, skype, gtalk: bitwiseshiftright

about shiftright.org

shiftright.org is currently running on a tiny server at my apartment.

The name comes from my handle, bitwiseshiftright, not from any sort of political affiliation. But I **am** somewhat liberal.
